

Have you seen him?

This is Uemit Aslim. He's my younger brother, 39 years old, 1,75m tall, brown eyes and black hair (mostly ponytail). He is a German citizen. He went to Nepal on the 11th of February, he had a return flight at the 21th of February, which he missed. My family and I got great sorrows, because we didn't hear anything from him since the 10th of February. He bought a trekking ticket for the Annapurna-Trek, from the 13-18th February. This is our last trace! If you got any kind of information, please send it to marco@kpp-showroom.de or give me a phone call 0049 171 3341160, or contact the German embassy 00977 1 441 27 86

Thank you for your help! Marco Aslim
